Does your child need extra support with their learning? The SEND Code of Practice says that Schools should follow a graduated approach to identify children who are in need of support and to assess, monitor and secure appropriate support. This workshop provides information on what this might look like in an educational setting and how that setting should support a young person if they don't have an EHCP.		
2 EHCP	Tue, 21 Nov	https://www.eventbrite.co.uk/e/719286584537
What is an EHCP? When is it appropriate to apply for a needs assessment for an EHCP? What provision will be offered? Find out about the EHCP process and what's included in an EHCP		

Facilitated by the MK SEND Information Advice and Support Service for families living in **Milton Keynes**.

Places must be pre-booked. You do not need to have downloaded Microsoft Teams to be able to join. We recommend joining the session via laptop, iPad or desktop.
